

OBSERVATION DAYS

In 2008 we are providing a number of opportunities for prospective students to spend a day at the ASMS prior to applying for entry in 2009.

The format of the day will introduce students to the school and the learning environment. The range of activities students will be involved in will assist students in deciding if the ASMS provides the learning style and curriculum content to help them achieve their goals for the future.

The scheduled dates for Term 3 are:

Friday 29 August

Monday 1 September

Wednesday 3 September

Additional dates may be available in Term 4.
