The aim of ISYF is to create a high profile platform for budding science talents and to network with one another.

- Four Nobel Laureates will participate in the forum to share their knowledge and experiences with participants.
- “Master Classes” will be conducted for groups of students in order to inspire them and deepen their understanding of Science.
- Accommodation at Hwa Chong Institution

2 Days Cultural Experience can include

- Visit to Universal Studios
- Visit Singapore Zoo
- Enjoy Sentosa Island
- Orchard Road shopping

Approx. Cost per student: $2800
