

## SELECTION TO REPRESENT THE ASMS ON AN INTERNATIONAL STUDY TOUR 2019

The ASMS seeks to promote a rich range of international connections as part of the program of the school. The school actively seeks relationships with international partners that will enhance the mission and operation of the school.

The ASMS is providing opportunities for students to participate in several different international study tours in 2019. Information about the study tours are available on the ASMS web-site <https://www.asms.sa.edu.au/overseas-student-tours/>.

Students who wish to go on an international study tour in 2019 must make an application in the following manner.

1. Complete the Application '**Declaration Form**' form for International Study Tours 2019 available from the ASMS website and first floor reception and submit them in completed form **to Julie Cassidy by 2 November 2018**.
2. Complete the Application '**Expression of Interest**' form answering the three questions.

Successful applicants will be notified by email. Please advise if post is the best contact option.
